

THE AGING PROCESS

Physical and Psychological Changes

Bridget Burke Florisic, LMSW, LGSW, JSSA Hospice, and Maria Kaplan, RN, BSN, CHPN, JSSA Hospice Liaison

Please join us for this free CE event offering 1.0 credit hours. A light dinner and networking opportunities will be available.

At this presentation, you'll learn about:

- Normal physical and psychological changes of aging
- How aging affects the way the body responds to medication, infection and pain
- Actions caregivers can take to respond to vision and hearing loss, changes in dexterity and balance, and cognitive impairment.

We look forward to hosting you!
